

THAILAND 360°

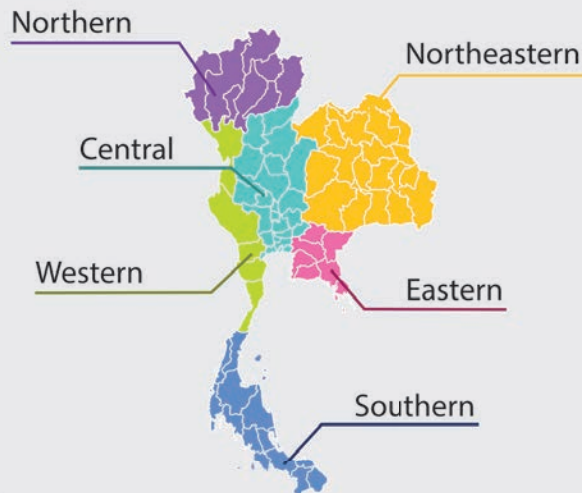

We are delighted to show you some of the incredible locations which have attracted film-makers from all over the world to Thailand. You'll find amazing landscapes, beautiful temples, exciting cities, and a rich cultural heritage. The only real way to experience the wonders of Thailand is to visit, but throughout this booklet, you'll find QR Codes which you can Scan, giving you a virtual trip to the locations through 360-degree VR technology.

THAILAND IN BRIEF

Thailand is situated in the heart of South East Asia and covers an area roughly the size of France. It shares borders with Laos to the North, Myanmar to the West, Cambodia to the East and Malaysia to the South. The North is generally a mountainous region while the South is known throughout the world for its beautiful tropical islands and pristine beaches. In the Northeast a vast plateau covers nearly one third of the country. The central region is largely agricultural and is also the location of the sprawling metropolis that is Thailand's vibrant capital city, Bangkok.

Language

Thai is the official language. English is widely taught in schools and spoken especially in establishments catering for tourists. Other spoken languages are ethnic and regional dialects.

Transportation

Thailand has a sophisticated network of airlines, railways and roads.

Time

Thailand is seven (7) hours ahead from Greenwich Mean Time.

Currency

The Thai unit of currency is Baht (THB).

Telephone

The international country dialing code for Thailand is +66.

Climate

The most dependable features of Thailand's climate are three seasons.

Feb-May
summer season

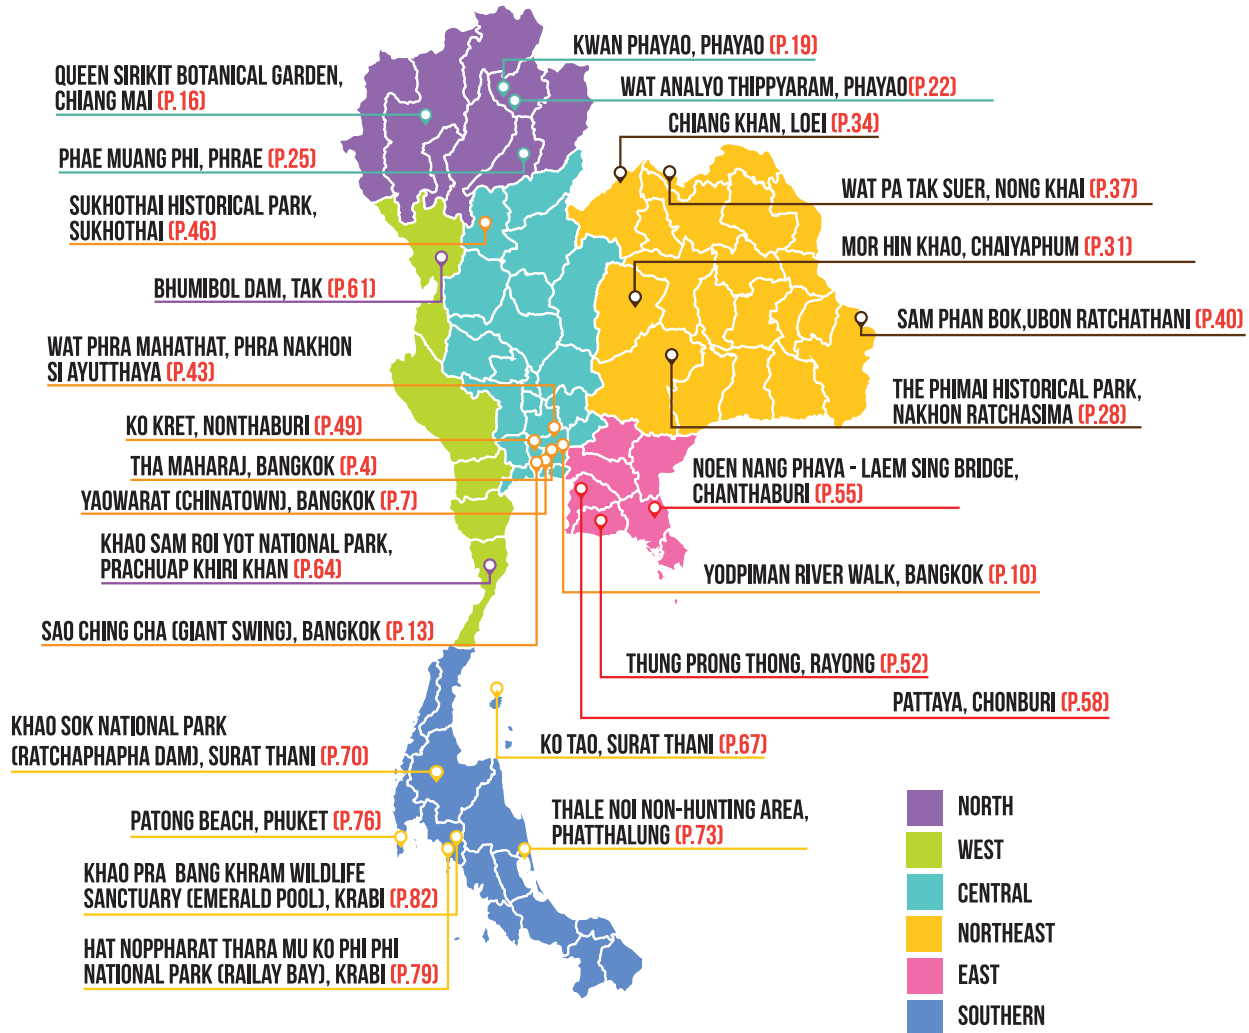

Jun-Oct
rainy season

Nov-Jan
cool season
